

MARCHING INTO BATTLE

I'm march-, march-, marching into battle
I'm in the army of my King
I've the sword of the Lord
And I'm armed with God's word
And I know that with My God I'll win.

I'm march-, march-, marching into battle
I'm in the army of my King
I've got truth as my belt;
I've God's seal on my chest
And I know that with My God I'll win.

I'm march-, march-, marching into battle
I'm in the army of my King
I have peace for my shoes;
Salvation for my hat;
And I know that with My God I'll win.

I'm march-, march-, marching into battle
I'm in the army of my King
I have faith as my shield
To put out all the fires:
And I know that with My God I'll win.
